For sale is an authentic Istrian stone house in a row with a jacuzzi, completely renovated in 2024.

The house is situated in a small Istrian village, a 10-minute drive from the center of Porec and the sea.

The house comprises a ground floor, a first floor, and an attic. The ground floor includes a custom-made kitchen, living room, dining room, and bathroom. An internal wooden staircase leads to the first floor, which consists of one bedroom, while the attic consists of another bedroom with an en-suite bathroom.

Floor heating is installed on the ground floor and in the bathrooms, and the house is cooled by air conditioning.

In the fenced and easily maintainable garden, there is a sunbathing area, an old olive tree, and a large jacuzzi measuring 2.5x6 meters. Additionally, there is a covered old well on the northwestern part of the house, from which there is a beautiful view of the village and nature.
