A luxurious apartment is for sale on the first floor of a modern building under construction, situated in an exceptional location offering panoramic sea views.

The planned completion of works and moving in are scheduled for March 2027.

This apartment offers a perfect blend of elegance and functionality. The apartment consists of an entrance hall, two spacious bedrooms, and an open-concept kitchen, dining room, and living room (open-space).

Large glass walls ensure an abundance of natural light, while the west-facing terrace offers a spectacular, open view of the sea, ideal for enjoying the sunsets.

Underfloor heating via a heat pump is installed throughout the entire apartment, and air conditioning units are additionally installed in the living room and in each bedroom.

Electric blinds and integrated mosquito nets are installed on all openings. High-quality ceramics with an included budget of up to 20.00 EUR/m² (with
