A combination of building and agricultural land, the total size of 8.975 m², is for sale in the inland of Istria, in the Vizinada area.

Two building plots have a total area of 1,714 m², and two agricultural plots have a total area of 7,261 m².

This property is surrounded by roads on two sides. One road passes in front of the building land and the other behind the agricultural land, so urbanization of agricultural land is very likely in the future.

Near the plot, there are electricity and water connections.

The electricity and water connections are near the plots.
